WHATS GOING ON THIS MONTH?

Hello and welcome to our third CCBS newsletter!

Last month, many of our learners participated in our first Friendsgiving! We had a beautiful day full of trying new foods, playing outside with friends of all ages, and making silly paper Turkeys. CCBS thanks the parents and guardians for actively participating and supporting us.

Thank you, and I hope you family enjoys time together this holiday season.

WHAT'S COMING UP

In honor of the fun holiday times, we will be having a Holiday party sometime this month to get together for a holiday movie, crafts and snacks. This event will be available for learners of all ages. Date to be determined, so be on the lookout for an announcement.

HAVE YOU SEEN IT?

Have you seen the Netflix series, Atypical? A show about a teenager with Autism, has grabbed the attention of millions in the last few years. The show creates a visual interpretation of living as a young adult, navigating a world a little different than some. We think this is a must see!

COMPANIES WE LOVE TO LOVE!

Make-A-Fort

Make-A-Fort is a sustainable, great resource for builders of all ages. We purchased 3 sets for camp over the summer and the campers had a blast.

Whether it was decorating, building cool forts, or demolishing- all of the campers participated and enjoyed it!
